**Fall 2019**  
**9/23 In-Class Worksheet**

Name: \_\_\_Simran Gidwani\_\_\_

Where were you sitting in class today: \_\_\_Middle center\_\_\_\_\_

1. What progress did you make on the assignment today?

I began working on the project and reading all the code and specifications needed to complete the assignment. I started working on part A of the project and have done some research on what details of python I will have to research.

2. Please post a question or comment on the assignment at <http://bit.ly/cs1571-questions>
